

The Great Hall

Friday Evening Weddings and Receptions

Dear Bride and Groom,

We can see that the availability of Saturday evenings is limited. In celebration of the success of The Great Hall and to more reasonably accommodate those planning an evening wedding reception, we are offering special savings for Friday evenings.

Friday evening receptions, which are common in cities such as New York, are becoming more popular in Pittsburgh. The Great Hall is especially unique since it provides an elegant setting for the [wedding ceremony](#) prior to the banquet. We have asked many couples who have had Friday receptions of their experiences. The comments we hear include:

- Many guests find a Friday evening more convenient.
- Friday evening is always a "party" night, "TGIF."
- Gatherings, such as a picnic and a house party, etc. can be planned over the long weekend allowing out of town guests to spend Saturday with family and friends.
- An extra day of honeymoon can be enjoyed!
- Friday evening prices are more affordable and a savings to you.
- Other wedding services, such as bakery, photographer, and limousine, are more available.

We welcome you to The Great Hall, the finest wedding and banquet facility in Western Pennsylvania!
